Dear Mr. Forrey:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your amended report discloses additional receipts totaling \$81,374.02 on Line(s) 11(a)(i), 11(a)(ii), and 17 of the Detailed Summary Page that were not disclosed on your original report. In a Memo Text entry attached to your amended report you state that "Due to an administrative error regarding the 12 Day Pre-Election Report 2006, pay period 21 and bank interest, dated October 11, 2006, were not added to Line 8 Column A. Pay period 21 and bank interest have been added to this report such that Line 8 Column A equal Line 8 Column B. This correction has been made to guarantee that all subsequent reports are balanced." Please provide any additional clarifying information as to why this activity was not disclosed on your original report. 11 CFR §104.3

-Your report disclosed a category of financial activity that appears to have been reflected on the wrong line of the Detailed Summary Page. Contributions to apparent non-federal or unregistered committees/organizations should be properly disclosed on a separate Schedule B, supporting Line 29 (not Line 23) of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing. In addition, it is suggested

review your previous and subsequent Contributions to Federal Candidates/Committees, Other Party Committees, and non-federal or unregistered committees/organizations (on Line 23, Schedule B) to determine if they have been properly categorized on the correct line. **If they were not, amendments for those reports should be submitted disclosing the proper categorization of activity.**

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1144.

Sincerely,
